

## Experiencing Art and Design

Year 5

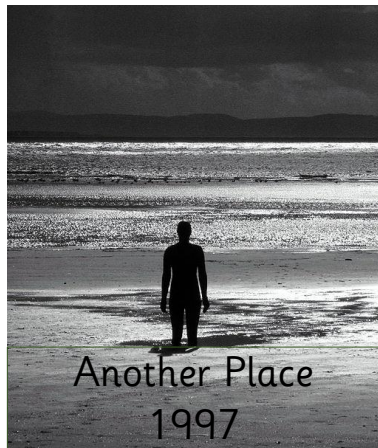

I have been exploring 3D and sculpture and I have learnt...

Period – Contemporary Art

- **Sir Antony Gormley (OBE)** is a well-known sculptor, who was born London, England in 1950. In 1994, Antony won the Turner Prize - one of the most important awards in art. In 1997, he was given an OBE (Order of the British Empire) and in 2004 he was given a knighthood.

-Antony's sculptures are mainly based on the human body.

Word	Definition
<b>Modroc</b>	Modroc (or mod roc) is another name for <b>plaster-impregnated bandage</b> , and it can be used to make sculptures. Modroc starts off dry; you then dip it in water and then model with it. It then sets hard, hence "mod" (mud) – "roc" (rock).
<b>Structure</b>	Something that is constructed: something arranged in a definite pattern to become a solid <b>structure</b> .
<b>Sculpture</b>	Sculpture is an artistic form in which hard or plastic materials are worked into three-dimensional art objects.

### Mayan Masks

-Mayan masks had a wide variety of uses, and the importance of the masks dictated how intricate the designs on various masks were. The most sacred Mayan masks featured complex and delicate mosaics made out of jade.

-The Maya used masks for a variety of reasons and occasions. These included to adorn (decorate) the faces of the dead. To be worn at important events and to be worn during battle.
