

TEMPLATE OPERATIONAL RISK ASSESSMENT FOR SCHOOL OPENING – September 20

CHECKS AND BALANCES: RESPONDING TO COVID-19

A toolkit to support leaders

Staying COVID Secure – Our Commitment

- ✓ We recognise the risk posed by Coronavirus (COVID-19) to our staff, pupils and their families. Control measures to minimise the risk of infection and the transmission of the virus are provided in this Risk Assessment.
- ✓ We will put in place appropriate protective measures to ensure, as far as is reasonably practicable, the Health, Safety and Wellbeing of our staff and pupils.
- ✓ We will share this Risk Assessment and its findings with employees and consult on its contents.
- ✓ We will continue to comply with all relevant Health and Safety Legislation.
- ✓ We will have regard to statutory guidance in particular the guidance issued by the Department of Education regarding school reopening and implementing protective measures in education and childcare settings against COVID-19.
- ✓ We have regard to advice and guidance issued by Public Health England.

COVID-19: Operational risk assessment for school reopening

Please note: this risk assessment should be undertaken in conjunction with the guidance on school reopening issued by the Department for Education on 2nd July 2020 as follows: [Actions for schools during the coronavirus outbreak](#)

1. Establishing a systematic process of full re-opening, including social distancing					
1.1 Organisation of teaching space					
Classroom sizes will not allow adequate social distancing for the staff	M	<ul style="list-style-type: none"> Schools assess their circumstances and identify distinct groups or 'bubbles' of pupils that do not mix. (These maybe small groups, classes or year groups.) Whatever the size of group, pupils should be kept apart from other groups where possible, and older children encourage to social distance within groups. Classrooms re-modelled, with chairs and desks in place to allow for social distancing where appropriate. Adaptations to classrooms should include seating pupils side-by-side and facing forwards. Clear signage displayed in classrooms promote social distancing. Keep classrooms well ventilated If possible, adults should maintain a 2-metre distance from each other, and from children Adults should avoid close face-to-face contact and minimise time spent within 1 metre of anyone. Where staff or children cannot maintain distancing, particularly with younger children in primary schools, keep in smaller separated groups. 	Y Y Y Y Y Y	All bubbles will be year groups Side to side /facing forwards – Y3 to Y6 only	L

Use of large spaces such as the hall, sports hall, dining hall and outdoors	M	<ul style="list-style-type: none"> Groups or bubbles should be kept apart meaning schools should avoid large gatherings such as assemblies or collective worship. Large indoor and outdoor spaces can be used, but arrangements should be in place for maximising social distancing between pupils and staff and paying scrupulous attention to cleaning and hygiene. Maximise use of external areas for outdoor sports, again observing social distancing ensuring sports equipment is thoroughly cleaned between each use by different groups. Contact sports must be avoided. 	Y Y Y		L
1.2 Availability of staff and class sizes					
The number of staff who are available is lower than that required to teach classes in school and operate effective home learning if needed	M	<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. Full use is made of those staff who are self-isolating or with extreme vulnerabilities but who are well enough to plan/prepare/teach lessons online. Flexible and responsive use of teaching assistants and pastoral staff to supervise classes is in place. Full use is made of testing to inform staff deployment. If any school has concerns about staffing capacity, then contact the LA or Trust Board 	Y Y Y Y Y		L
1.3 The school day					
The start and end of the school day create risks of breaching social distancing guidelines	M	<ul style="list-style-type: none"> Start and departure times are staggered. The number of entrances and exits to be used is maximised. Different entrances/exits are used for different groups. Staff, parents and pupils are briefed, and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on arrival to avoid groups of people congregating. Floor markings are visible where it is necessary to manage any queuing. Guidance is in place for removing face coverings when pupils and staff who use them arrive at school, and this should be communicated clearly to them. 	Y Y Y Y Y Y		L

1.4 Planning movement around the school					
Movement around the school risks bubbles mixing and/or breaching social distancing guidelines as appropriate (See also section 3.4)	M	<ul style="list-style-type: none"> • Circulation plans have been reviewed and revised. • One-way systems are in place where possible. • Corridors are divided where feasible. • Appropriate signage is in place to clarify circulation routes. • Pinch points, and bottle necks such as entrances and exits are identified and managed accordingly. • Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and staff moving round. • Lesson change overs are staggered to avoid overcrowding. • Pupils are regularly briefed regarding observing social distancing guidance. • Appropriate duty rota and levels of supervision are in place. 	Y Y Y Y Y Y N/A Y Y		L
1.5 Use of resources					
Pupils will have fallen behind in their learning during school closures and achievement gaps will have widened Ensuring curriculum resources are used safely	M	<ul style="list-style-type: none"> • Gaps in learning are assessed and addressed in teachers' planning. • Home and remote learning is continuing and is calibrated to complement in-school learning and address daps identified. • Exam syllabi are covered. • Plans for intervention are in place for those pupils who have fallen behind in their learning. • Pupils limit the amount of equipment they bring into school each day to agreed essentials. • Bags are allowed. • Staff and pupils have their own pens and pencils and other such frequently used equipment • Classroom based resources such as books and games can be used and shared within the group. These should be cleaned regularly • Shared resources, (between classes or bubbles) such as sports, art and science equipment should be cleaned frequently or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) • Remove soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts) • Pupils and teachers can take books and shared resources home although unnecessary sharing should be avoided. 1.6 Staff workspaces					
Staff rooms and offices do not allow for observation of social distancing guidelines	M	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff have been briefed on the use of these rooms, and use is staggered 	Y Y		L
1.7 Managing the school lifecycle					
Making progress with the school's autumn term calendar and future work plan considering of COVID-19 measures	M	<ul style="list-style-type: none"> School calendar for the autumn term is rationalised and is informed by DFE expectations of a broad curriculum from the start of the Autumn term with the aim of returning to the school's normal curriculum in all subjects by summer 2021 Schools continue to build capacity to educate pupils remotely where this is needed. School recruitment continues as usual. 	Y Y Y		L
Pupils joining the next phase in their education do not feel prepared for the transition	M	<ul style="list-style-type: none"> A plan is in place for pastoral staff to speak with pupils and their parents about the next stage in their education and resolve any issues. There is regular and effective liaison with the destination institutions (e.g. secondary schools, post-16 providers, universities, apprenticeship providers) to assist with pupils' transition. Regular communications with the parents of incoming pupils are in place, including letters, newsletters and online broadcasts Induction days for pupils and parents are planned... 	Y Y Y Y		L
1.8 Governance and policy					
Governors are not fully informed or involved in making key decisions	M	<ul style="list-style-type: none"> Meetings (online or face-to-face) held with governors when key decisions need to be made. Governing bodies are involved in key decisions on reopening the school. Governors are briefed regularly on the latest government guidance and its implications for the school. 	Y Y Y		L
1.9 Policy review

Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance, visits visitors and other policies are no longer fit for purpose in the current circumstances	M	<p>All relevant policies:</p> <ul style="list-style-type: none"> Safeguarding Health and Safety Fire Evacuation Behaviour Attendance Visitors Visits <p>have been revised to take account of government guidance (Guidance for full opening – schools 2 June 2020) Staff, pupils, parents and governors have been briefed accordingly.</p> <ul style="list-style-type: none"> Safeguarding Leads (and deputies) are designated extra time during the first few weeks of term to support staff and pupils regarding new safeguarding and welfare concerns 	<p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p>	<p>Safeguarding policy 2/6/2020</p> <p>H and S policy 9/7/2020</p> <p>Fire Risk Assessment 2/6/2020</p> <p>Behaviour policy 2/6/2020</p> <p>Attendance policy 9/7/2020</p> <p>Visitors Policy 9/7/2020</p> <p>Visits/trips policy 9/7/2020</p>	L
1.10 Communication strategy					
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	M	<p>Communications strategies for the following groups are in place:</p> <ul style="list-style-type: none"> Staff Pupils Parents Governors/Trustees Local authority Professional associations Other partners including visitors 	<p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p>		L
1.11 Staff induction and CPD					
Staff are not trained in new procedures, leading to risks to health	M	<ul style="list-style-type: none"> An updated staff handbook is issued to all staff prior to full reopening. Induction and CPD programmes are in operation for all staff prior to reopening, and include: Infection control including hand hygiene, respiratory hygiene and enhanced cleaning regimes Fire safety and evacuation procedures Constructive behaviour management Safeguarding Risk management 	<p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p>		L

New staff are not aware of policies and procedures prior to starting at the school when it reopens	M	<ul style="list-style-type: none"> Induction programmes are in place for all new staff – either online or in-school – prior to them starting. The updated staff handbook is issued to all new staff prior to them starting. 	Y Y		L
1.12 Free school meals					
Pupils eligible for free school meals do not continue to receive vouchers if they are unable to attend (e.g. due to self-isolation or following clinical advice)	M	<ul style="list-style-type: none"> A member of the school's administrative team is tasked with ensuring that pupils eligible for free school meals receive free meals when in school and continue to receive vouchers/school meals when not in school. 	Y		L
1.13 Risk assessments					
Risks are not comprehensively assessed in every area of the school considering COVID-19, leading to breaches of social distancing and hygiene guidance.	M	<ul style="list-style-type: none"> Risk assessments are updated or undertaken before the school reopens and mitigation strategies / additional controls are put in place and communicated to staff covering: Delivering aspects of the curriculum, especially for practical subjects and especially where shared equipment is required to be used External visits Managing visitors 	Y Y Y Y		L
1.14 School transport					
Changes to bus schedules as a result of COVID-19 adversely affect pupils' attendance and punctuality and do not align with staggered start and departure times	M	<ul style="list-style-type: none"> The details of how pupils will travel to and from school are known prior to opening. Effective liaison with bus companies is used as a basis for planning staggered start and departure times. Parents reminded of the need to ensure social distancing and changes to drop off and pick up routines, Plan parents' drop-off and pick-up protocols that minimise adult to adult contact Guidance is in place regarding the removal of face coverings on arrival at school 	Y NA Y Y Y		L

2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19					
2.1 Cleaning					
Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required	M	<ul style="list-style-type: none"> A return-to-work plan for cleaning staff (including any environmental cleans) is agreed with contracting agencies prior to opening. An enhanced cleaning plan is agreed and implemented which minimises the spread of infection to include regular cleaning of all frequently touched surfaces and welfare areas. More frequent cleaning of rooms that are used by different groups Regular cleaning of toilets Pupils encouraged to clean hands after use of toilets Working hours for cleaning staff are increased. Develop a culture of shared responsibility for keeping areas clean. Ensure 3rd Party risk assessments (e.g. from cleaning companies) are shared with the school. 	Y Y Y Y Y Y Y		L
2.2 Hygiene and handwashing					
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency	M	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are purchased if necessary. Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. Handwashing is built into the daily routine and is supervised by staff. Teachers should ensure they wash their hands and surfaces, before and after handling pupils' books Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach. 	Y Y Y Y Y		L
Pupils forget to wash their hands regularly and frequently	M	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently to include start of school day, after breaks and after using any shared equipment Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. Pupils should be encouraged where possible not to touch their faces or to put objects in their mouths. 	Y Y Y Y		L

2.3 Clothing/fabric					
Not wearing clean clothes regularly may increase the risk of the virus spreading	M	<ul style="list-style-type: none"> Uniform is worn and washed regularly as normal Policies are agreed prior to the school opening on the wearing of uniforms by pupils and business dress by staff to minimise risks Expectations and guidance are communicated to parents. Uniform that cannot be machine washed should be avoided. Consider leeway for any child who has grown out of any parts of their uniform since March but whose parents cannot currently replace it. 	Y Y Y Y Y		L
The use of resources and equipment may not be cleaned frequently enough	M	<ul style="list-style-type: none"> Students and staff to have their own pens and pencils etc. Classroom resources to be shared only within the bubble and cleaned regularly Resources that are shared between bubbles to be cleaned frequently and always cleaned or rotated and out of reach for a period of 48 hours (72 hours for plastics) between each bubble's use. Outdoor equipment to be regularly cleaned Limit equipment that pupils bring to school to lunch box, hat, coat, books, stationery and mobile phones. Limit unnecessary sharing of resources as much as possible. 	Y Y Y Y Y		L
2.4 Testing and managing symptoms					
Testing is not used effectively to help manage staffing levels and support staff wellbeing	M	<ul style="list-style-type: none"> Guidance on getting tested has been published. The guidance has been explained to staff as part of the induction process. Health and Wellbeing support is available through the LA https://myzone.salford.gov.uk/people-zone/health-and-wellbeing 	Y Y Y		L
Infection transmission within school due to staff/pupils (or members of their household) displaying symptoms	M	<ul style="list-style-type: none"> Robust collection and monitoring of absence data, including tracking return to school dates, is in place. Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes the use of testing for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. Pupils, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms (no one with symptoms should attend a setting for any reason). This includes an understanding of the definitions and mitigating actions to take in 	Y Y Y		L

2.5 First Aid/Designated Safeguarding Leads					
The lack of capacity / availability of designated First Aiders and Designated Safeguarding Leads puts children's safety at risk	M	<ul style="list-style-type: none"> Ensure staff First Aid training is booked and accessed if First Aid Certificate has expired. Where there is a good reason why this is not possible, First Aid certificates to be extended till 30th December 2020 A programme for training additional staff is in place. Medical rooms are not adequately equipped or configured to maintain infection control	M	<ul style="list-style-type: none"> Social distancing provisions and PPE where needed for personal care are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	Y Y Y		L
2.7 Communication with parents					
Parents and carers are not fully informed of the health and safety requirements for the reopening of the school	M	<ul style="list-style-type: none"> As part of the overall communications strategy referenced in Section 1, parents are kept up to date with information, guidance and the school's expectations on a weekly basis using a range of communication tools. A COVID-19 section on the school website is created and updated. Parent and pupil handbooks created. Risk assessment to be published on school website (unless staff group is less than 50) 	Y Y Y Y		L
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19	M	<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website. 	Y		L
2.8 Personal Protective Equipment (PPE)					
Provision of PPE for staff where required is not in line with government guidelines	H	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. Those staff required to wear PPE have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely. Staff are reminded that wearing of gloves is not a substitute for good handwashing. Ensure that 3rd party employers (e.g. catering and cleaning companies) have shared risk assessments with the school. 	Y Y Y Y		L

3. Maximising social distancing measures

3.1 Pupil behaviour

Pupils' behaviour on return to school does not comply with social distancing guidance	H	<ul style="list-style-type: none"> Where appropriate, clear messaging to pupils on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters, electronic boards, and floor markings. For young children this is done through age-appropriate methods such as stories and games. Staff model social distancing consistently Between adults; adults and pupils (where possible); and between bubbles. The movement of pupils around the school is minimised. Large gatherings that break bubbles are avoided. Break times and lunch times are staggered and structured to support maintenance of bubbles and social distancing where appropriate and are closely supervised. The school's behaviour policy has been revised to include Supportive inclusive guidance, trauma informed compliance with social distancing communicated to staff, pupils and parents. - and reinforced regularly Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. Messages to parents reinforce the importance of social distancing. Arrangements for social distancing of younger primary school children have been agreed and staff are clear on expectations. Consistently impose sanctions when rules are broken, in line with the behaviour policy, as well as positively reinforcing well-executed rules through encouragement and rewards. All pupils and staff understand this is now part of how school operates. 	Y Y Y Y Y Y Y Y Y		L
---	---	--	---	--	---

3.2 Classrooms and teaching spaces					
The size and configuration of classrooms and teaching spaces does not support compliance with bubble model and social distancing measures	M	<ul style="list-style-type: none"> Home base arrangements in place for pupils unable to return yet, or pupils working remotely due to a local outbreak Engagement with high quality remote education is monitored. Net capacity assessment completed, with each classroom and teaching space compliant with social distancing measures and in line with government guidance i.e. staff socially distancing from pupils Small adaptations to the classroom to support distancing where possible, e.g. seating pupils side by side. Move unnecessary furniture out of classrooms to make more space. Teachers and other staff operating across different classes and year groups in order to facilitate delivery of the school timetable keep their distance from pupils and other staff as much as they can. All pupils and staff to clean hands when they change rooms Arrangements are reviewed regularly.	Y Y Y Y Y Y		L
3.3 Movement in corridors					
Social distancing guidance is breached when pupils circulate in corridors	M	<ul style="list-style-type: none"> See section 1.4: <i>Planning Movement around the school</i> 	Y		L
3.4 Break times					
Pupils may not observe maintaining bubbles and social distancing where appropriate at break times	M	<ul style="list-style-type: none"> Break times are staggered. External areas are designated for different groups. Pupils are reminded about social distancing as break times begin. Social distancing signage is in place around the school and in key areas including all drop off and collection points. Supervision levels have been enhanced, to support social distancing. All pupils and staff clean their hands when they return from breaks 	Y Y Y Y Y Y		L
3.5 Lunch times					
Pupils may not observe maintaining social bubbles and social distancing where appropriate at lunch times	M	<ul style="list-style-type: none"> Rotas are in place to prevent bubbles mixing Pupils are reminded about social distancing as lunch times begin. Pupils wash their hands before and after eating. Dining area layouts have been configured to ensure social distancing and maintaining bubbles. Tables and chairs have been cordoned off where this is not possible. Floor markings are used to manage queues and enable social distancing. 	Y Y Y Y Y Y		L

Template operational risk assessment for school reopening

		<ul style="list-style-type: none"> Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. Guidance has been issued to parents and pupils on packed lunches Eating areas are cleaned after lunch and between groups 	Y Y Y		
3.6 Toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures	m	<ul style="list-style-type: none"> Queuing zones for toilets and hand washing have been established and are monitored. Floor markings are in place to enable social distancing. Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues and school policy is amended to reflect this The toilets and sinks are cleaned frequently. Monitoring ensures a constant supply of soap and paper towels. Bins are emptied regularly. Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. - building these routines into school culture 	Y Y Y Y Y Y Y		L
3.7 Medical Rooms					
The configuration of medical rooms may compromise social distancing measures	M	<ul style="list-style-type: none"> Social distancing provisions are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	Y Y Y		L

Y		
		<ul style="list-style-type: none">• Any such meetings should take place at a safe distance (and so the use of small offices may not be suitable).	Y		
3.9 Arrival and departure from school					
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply	M	<ul style="list-style-type: none">• Start and finish times are staggered.	Y		L
		<ul style="list-style-type: none">• The use of available entrances and exits is maximised.	Y		
		<ul style="list-style-type: none">• Removing face coverings when pupils and staff who use them arrive at school is communicated clearly to them	Y

		<ul style="list-style-type: none">• Weekly messages to parents stress the need for social distancing at arrival and departure times.	Y		
3.10 Transport					
The use of public and school transport by pupils poses risks in terms of social distancing	M	<ul style="list-style-type: none">• Guidance is in place for pupils and parents on how social distancing can be observed on public transport. This includes advice on the use of face coverings for pupils over the age of 11	NA		L
		<ul style="list-style-type: none">• Survey parents on their typical routes to school and potential alternatives.	NA		
		<ul style="list-style-type: none">• ‘Safer travel guidance for passengers’ is shared with families using public transport.	NA		
		<ul style="list-style-type: none">• Settings should also consider ways to minimise use of public transport to get to and from school at peak time, e.g. ‘walking buses’	NA		
		<ul style="list-style-type: none">• Guidance is in place for dedicated school transport – social distancing does not apply from the autumn term if systems are in place to minimise risk of transmission	NA

6.3 Contractors working on the school site					
Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control	L	<ul style="list-style-type: none"> Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction).
